University Housing has been providing hall accommodations and services for campus summer programs for almost 100 years. Customers continue to provide high satisfaction ratings regarding cleanliness, maintenance, and affordability. Residence halls are renovated regularly to provide a comfortable, safe, convenient on-campus living environment. All campus residence halls are non-smoking facilities.

**HALL FEATURES**

- Daily housekeeping in common areas
- Complimentary high speed WiFi
- Floor lounge for social time, including television and comfortable seating
- Check-in and check-out is typically available 24 hours a day (Check reservations about your group’s specific arrangements)
- Surveillance cameras at building entrances and electronic access at exterior doors
- Extra linens available at the hall desk
- Messages placed in mailboxes
- Shared bathrooms in most residence halls (Phillips Hall has private bathrooms)
- Limited supply of complimentary shared items including irons, ironing boards, hairdryers, and recreation equipment
- Self-laundry, ice and vending machines
- Most halls are accessible to guests with physical disabilities (indicate special needs at least six weeks in advance of check-in)
- Smoke-free residence halls and campus buildings

CONSERVATION EFFORTS
Please help us support campus and community conservation efforts. How can you help?
Properly use the recycling containers
Adjust your thermostat to be warmer while you are at your program
Turn off lights and equipment when not in use
Hang your “do not service” tag on your door to skip getting clean towels and washcloths on weekdays
