# Maintenance Picture Dictionary

The Apartment Facilities Staff are here to assist you with maintenance questions, concerns, and of course to help get things fixed when they need repair. We employ carpenters, custodians, painters, mechanics, and grounds staff to service the community. We are constantly in the process of preparing apartments for new residents and completing maintenance requests in a timely manner. Below is a picture dictionary of various items around your apartment, use this as a reference when submitting your maintenance repair requests on our website at [go.wisc.edu/ua-maintenance-form](https://go.wisc.edu/ua-maintenance-form).

If this is an emergency repair (such as falling water, no water, or no heat in the winter) call or text the Resident Manager on duty at **608-444-9308** or call the Apartment Facilities Office (open Monday - Friday 7:00 a.m.-3:30p.m.) at **608-262-2037**.
